| Day 2 19 May Wednesday | 0800HRS | Breakfast |
| | 0900HRS | Visit World Expo – China Pavilion <i>The China Pavilion is designed with the concept of "Oriental Crown". The traditional Chinese wooden structure architecture element -- Dougong brackets is introduced. The design concept, "the Oriental Crown, the Crest of Chinese, the Barn for the World and Wealthy People," reflects the deep accumulation of Chinese culture. The main colour of the China Pavilion is the traditional and sacred colour, "Gugong (Forbidden City) Red" which represents the taste and spirit of Chinese culture. The China Pavilion consists of the 47,000-square-meter Chinese national pavilion, 38,000-square-meter Regional joint pavilion and 3,300-square-meter pavilion of Hong Kong, Macao and Taiwan.</i> |
| | 1300HRS | Lunch (self-arranged) |
| | 1400HRS | Visit World Expo – National Pavilions of Southeast Asia & Oceania Countries (Theme Pavilions) <i>The Theme Pavilions' shape borrows from the "lane" and "dormer" of the old Shanghai, to form a two to three-dimensional spatial structure by means of "origami". The Theme Pavilions will be built into a "green, energy-saving, environment-friendly" building with an aboveground area of 80,000 square meters and underground of 40,000 square meters. In addition, this zone will also house the World Expo Centre and Expo Performance Centre, which will serve as the centre for ceremonies and conferences, press conferences and various forums, space for stage design, artistic innovation and imagination for various performances. during Expo Shanghai</i> |
