

*Boncafé International*

**San Marco Magica & Segafredo Coffee Capsules  
Worth \$300**

An ideal and ultimate choice accompanied with a milk frother. This sophisticated model is quieter than most capsule machine models in the market and with its pressure of 20 Bar; it produces a perfect cup of gourmet coffee and tea at any time of the day. The machine set has a removable water tank with 1-litre capacity that can serve approximately 6 normal serving cups, heating water to optimum temperature in a minute, programmable extract volume, with backlight buttons and has auto power save mode when the machine is not in use. With minimal maintenance required, this model is ideal for homes, corporate offices, Food & Beverage establishments and fits perfectly in any interior setting.
